Cause No. PUD 202000097

SEPARATE OPINION BY COMMISSIONER BOB ANTHONY

Time will tell if today’s “limited” approval meets the need.

To enable Ft. Sill to strengthen its strategic energy resilience using secure on-site facilities required by Army Directive 2020-03, the Oklahoma Corporation Commission should have issued a timely order acceptable to both the U.S. Department of Defense and Public Service Company of Oklahoma (PSO).
